

EMBAJADA  
DE ESPAÑA

OFICINA ECONÓMICA Y  
COMERCIAL DE ESPAÑA  
SEÚL

August 31<sup>st</sup>, 2022

Dear Sir/Madam,

On behalf of the Spanish National Institute of Cybersecurity ([INCIBE\\*](#)) and the Spanish Institute for Foreign Trade ([ICEX](#)) we are pleased to invite you to the **IBF-International Business Forum** (online edition) which will take place during the [International Cybersecurity Summit 16ENISE](#).

The **IBF-International Business Forum** is an **online matchmaking event focused on cybersecurity solutions**, which allows you to organize virtual B2B meetings with Spanish suppliers **from 19<sup>th</sup> to 20<sup>th</sup> of October 2022**.

The list where you can find information on the Spanish participants is uploaded at the following link: <https://www.incibe.es/en/enise/sponsorship>.

We hope this invitation would be of your interest, in which case we kindly ask you to inform us ([seul@comercio.mineco.es](mailto:seul@comercio.mineco.es)) ASAP to sign you up to the upcoming IBF platform. Participation in the event is **free of charge**.

**Application process** will be open until the 23<sup>rd</sup> of September 2022. However, we kindly recommend you to register in advance to enhance your experience during IBF.

We are at your disposal to solve any doubt you may have regarding this very special opportunity.

Yours faithfully,

Darío José Sáez Méndez  
Economic and Commercial Counsellor  
Embassy of Spain in Seoul

\*[INCIBE](#) is the benchmark institution for the development of cybersecurity and digital trust in Spain for various interest groups; citizens, academic & research networks, professionals, and companies, particularly those in strategic sectors. As an Excellence Centre, INCIBE heads a range of initiatives directed at cybersecurity at a national and international level and operates the CERT (<https://www.incibe-cert.es/en>) for citizens and companies in Spain, jointly with CNPIC (<https://cnpic.interior.gob.es/opencms/en/home/>).
